

Infusion Pumps and Service Providers

Helpful information to access infusion pumps and other services that best meet your patients' needs

When selecting an infusion pump and services provider, consider the following criteria to best serve your patients' needs and what's important to them

Inventory

- Pump rental, maintenance, and support
- Treatment compatibility
- Back-up pump availability

Staff Training

- Live or remote inservices
- On-site staff training
- Discharge planning support

Coverage

- National coverage
- Reimbursement support
- Experience working with pharmacies

Patient Support

- Prior patient support experience
- 24/7 customer hotline
- Patient access to oncology nurses

Infusion Pumps and Service Providers:

The following companies provide infusion pump rentals and related services. Amgen neither recommends nor endorses, and may or may not have financial relationships with, any of these companies. This is for informational purposes only and is not intended to be a comprehensive list of providers, nor is it a referral. If you would like to suggest a provider to be added to this list, please contact Amgen Med Info at 800-77-AMGEN.
